Santiago,

Looks like Quilvest is investing about \$1mm into Sentry B. We will need to get approval from Jeffrey in order for Citco to accept.

Thx,
Lauren

Dear Ms. Lauren,

Futher to my call from today, the subscription form was faxed and sent by mail today.

The subscription was made in shares : 1 000 (about \$ 1 027 534).

I just need to know if we must wire an approximative amount for the 1000 shares, as the amount will be calculated on the july nav, or are we going to receive the information about the right amount we must wire.

Best Regards

Dear Ms. Ross,
I spoke to Santiago today and he asked me to email you to let you know that he's okay with our subscribing to B shares. Would you please email me the performance sheet and any relevant documents that we need for the subscription? Just so you know, I emailed a copy of this message to my personal email address **Redacted** because I have to leave tomorrow for the US for family reasons. I'll be there at least until June 30th, but I'll be liaising with my back office to help them with the subscription process.

Please send a copy of everything to this personal email address. You may

also reach my assistant Lise Denis at email : ldenis@quilweb.com or telephone : 33-1-4062-0799. Thank you very much for your assistance. Kind regards, Anne Delon

Objet: Fairfied Sentry - SUBSCRIPTION

Dear Adelon,

I just spoke to Mr. Santiago Reyes who is the FGG representative who speaks to SIF in Zurich. He is going to contact Rob Roedel to follow up on the

subscription into the Fairfield Sentry Fund. As he is not certain whether this subscription is in the Class A or Class B, I will hold off sending you the documents until I hear back from him what the subscription amount is

and which class of shares in the Fund.

I will let you know as soon as I hear back from our FGG agent and send you the appropriate documents.

Please do not hesitate to contact me if you need any further information.

Best regards,
Lauren Ross
